

ADS 160

Versions

	Part no.
ADS 160	40920
	40922

Blue part no. = in-stock items

Technical specifications

Material

Brass
Stainless steel

Operating pressure

6 bar
3 bar

Flow coefficient Kvs

6.9 m³/h

Flow rate

Max. 2.1 m³/h

Operating temperature range

Ambient: 0/90 °C

400 ml

Connections

G1 female
G½ female

Scope of delivery

- Mounting tools

Options

- Other connection threads

Technical drawings
